

ELECTION OF RWS ASSOCIATE MEMBERS APPLICATION GUIDELINES 2022

Dear Applicant,

Thank you for expressing an interest in joining the Royal Watercolour Society as an Associate Member. Founded in 1804, the RWS is the oldest watercolour society in the world and is bestowed with Royal patronage from Her Majesty the Queen. The Society is based at Bankside Gallery in London, with an additional premises near Trafalgar Square currently in the soft opening phase.

If elected, you will enjoy full Membership benefits, including two major group exhibitions and two joint exhibitions with the Royal Society of Painter-Printmakers at Bankside Gallery each year, as well as other opportunities to exhibit and sell your work through Bankside Gallery and other venues. Your work will be publicised through the Society's website, and there are opportunities to run courses, have your work used for publicity, and to become involved in Society activities.

After submission of your online application, a shortlist of applicants will be pre-selected and invited to deliver three framed, glazed paintings and a portfolio of supporting work to be judged by RWS Members. If elected, you will become an Associate Member of the RWS. Full Membership is achieved by Election at an RWS Annual General Meeting, if there is a vacancy.

This application pack contains all the information you need to know on how to apply and details regarding the election procedure. Please read through it carefully.

Good luck and we look forward to receiving your application.
Best Wishes,

Jill Lemman PRWS
President of the Royal Watercolour Society

Election of RWS Associate Members 2022

Application Guidelines

Before you apply

Being elected as a member of the RWS is a long term commitment which should not be entered into lightly. Before you apply please be aware of and understand the following:

- Annual subscription fees currently stand at £300 per annum which must be paid in January each year. If you do not pay your subscription fee, your membership risks being revoked.
- RWS artists are given the opportunity to exhibit up to 4 framed works in 4 exhibitions per year, as well as having 6 mounted works in the Bankside Gallery browsers at any one time. Artists should aim to participate in all of these exhibitions. If a newly elected artist does not exhibit in at least 2 exhibitions per year, their membership is at risk of being revoked.
- Above all the RWS is an artist cooperative and we rely on the help and input from our membership to move forward. You will be expected to participate / provide assistance with things such as council activities, education, stewarding, demonstrations, marketing, etc, as well as regularly attending RWS Private Views and social events.

Eligibility

Professional artists working in water-based media (including watercolour, pen & ink, gouache and acrylic – or a combination) may apply for Associate Membership of the RWS, providing they do not belong to another London watercolour society. Members are required to submit work for sale to the Society's exhibitions on a regular basis and pay annual submission fees of £300.

Although not essential, it is highly recommended that artists considering applying for membership have previously exhibited in the RWS Open (formerly known as the RWS Contemporary Watercolour Competition). Submissions are closed for 2022 but will reopen for 2023 in October this year. More details can be found here <https://www.royalwatercoloursociety.co.uk/competition>
